# **CyberUSA 2019**

**Date/Time: January 24, 2019**

**University of Maryland Riggs Alumni Center, College Park, MD**

## ***General Information***

CyberUSA is a community of communities focused on a common mission purpose of enabling innovation, education, workforce development, enhanced cyber readiness and resilience - all while connecting the cyber ecosystem of the United States and its Allies. This non-profit "community of communities" is governed by its members, established to enhance information sharing between states and improve cyber resilience at all levels of participation - local, regional and national.

This conference is a gathering of current and future CyberUSA affiliates and is open to all CyberUSA members and nonmembers. Academia, Government, Industry, and Students interested in the missions of CyberUSA are encouraged to participate.
