General Information

Join us for AFCEA Belvoir Industry Days, taking place Virtually! To register for the event, please visit www.fbcinc.com/AFCEABelvoir.

AFCEA connects innovative people, great ideas and vital solutions to advance global security. AFCEA Belvoir Industry Days enable military, government, industry and academia to align technology and strategy to meet the needs of those who serve. All personnel interested in information technology, cybersecurity, communication and electronics should join us in 2020!

This year's theme is "Developing the Data-First Ecosystem - The Evolving Paradigm."

The agenda will feature speakers from the Program Executive Office for Enterprise Information Systems (PEO EIS). AFCEA Belvoir welcomes members, non-members, government, academia, students and industry members to participate in supporting AFCEA Belvoir's mission.
