Date/Time: November 3-5, 2021

Gaylord National Harbor, National Harbor, MD

General Information

To register for the AFCEA Belvoir Industry Days 2021 event, please visit www.fbcinc.com/AFCEABelvoir.

AFCEA connects innovative people, great ideas and vital solutions to advance global security. AFCEA Belvoir Industry Days enable military, government, industry and academia to align technology and strategy to meet the needs of those who serve. All personnel interested in information technology, cybersecurity, communication and electronics should join us in 2021!

The agenda will feature speakers from the Program Executive Office for Enterprise Information Systems (PEO EIS). AFCEA Belvoir welcomes members, non-members, government, academia, students and industry members to participate in supporting AFCEA Belvoir's mission.
