

FBC Presents

Insider Threat Day at JHU/APL (Virtual Event)

Date/Time: September 1, 2020

Johns Hopkins Applied Physics Laboratory-Kossiakoff Center, Laurel, MD

General Information

The Insider Threat Day at Johns Hopkins University Applied Physics Lab hosted by the ISSA Central Maryland Chapter will take place on Thursday, September 1, 2020. This event will part of the insider Threat Awareness Month, highlighting government and industry speakers specializing in Insider Threats.

This event will take place at the Kossiakoff Conference Center located on the Johns Hopkins Applied Physics campus.
