# **Phoenix Challenge® 2026**

**Date/Time: March 23-25, 2026**

**Crystal Gateway Marriott Grand Ballroom, Arlington, VA**

## ***General Information***

The United States Department of Defense, Office of Information Operations Policy (OIOP) welcomes you to Phoenix Challenge 2026, to be held at the Crystal Gateway Marriott, March 23-25, 2026.

Building on the momentum from Phoenix Challenge 2025 in London, this year's event will explore "Information Operations: Evolving for Strategic Dominance." We will delve into integrating capabilities, forging alliances, and executing with precision to achieve a decisive advantage in the information domain.

We invite leaders and professionals from government, private industry, and academia across all cognitive and technical information specialties to attend and participate in this unique opportunity for collaboration and advancement.
