

FBC Presents

U.S. Department of Labor Tech Expo 2026

Date/Time: July 22, 2026

DOL HQ Frances Perkins Building, Washington, DC

General Information

Empowering the Future of Public Service: The U.S. Department of Labor is proud to present the DOL Tech Expo—a celebration of 250 years of American innovation. As DOL leads the charge in modernizing service delivery and driving operational excellence, this expo connects the federal workforce with cutting-edge advancements from top private-sector innovators. Discover the emerging trends and breakthrough technologies that will elevate government functions, empower our teams, and revolutionize how we serve the American public.
